

B3Workforce – Corporate Governance Solutions

Ensure full compliance with corporate governance legislation like the Sarbanes-Oxley Act by implementing sound internal reporting channels with the EthicsLink employee hotline and reporting platform. Employees can access the anonymous reporting hotline via the Internet, mail, or by toll-free telephone as a risk-free way to report unethical or illegal activity any time of day or night.

Ethics Hotline and Reporting Services Platform

B3Workforce's EthicsLink is a proactive reporting service that can help your company gather tips on issues like:

- Financial Irregularities (Sarbanes-Oxley and Canadian MI 52-110)
- Government Violations
- Release of Corporate Intellectual Property
- Theft
- Fraud
- Workplace Violence
- Discrimination
- Harassment
- Substance Abuse
- Conflicts of Interest

Enable a secure and private opportunity for your organization to report unethical or illegal activity by providing an ethics hotline with the leading service provider - EthicsLink, powered by B3Workforce.

Improve compliance and focus on your business.

Improve Compliance

Ensure that your company meets the requirements of legislation such as Sarbanes-Oxley Act and Canadian MI 52-110.

Ensure Neutrality to Employees

Employees who might feel uncomfortable with internal reporting mechanisms are more comfortable with a third party service such as EthicsLink.

Customized Report Delivery

Encrypted and secure data report gathering allows for immediate delivery of critical data that requires corporate attention.

Key Features:

Strengthen Governance

Element		Overview
Implementation	2-4 week full deployment schedule.	Cost Effective Implementation enables efficient Return on Investment.
Flexible	License Fees based on concurrent license model or hosted ASP model.	Flexible license models enable onsite installation or fully hosted service based utility cost model.
Customization and Cost Efficient	We provide a custom interface to your corporate ethics and code of conduct to reinforce awareness of policies and reporting across the organization.	Custom case management workflows with integrated report mechanisms including informational rollout kits enable a cost efficient implementation.
Real Time Reporting	Rapid delivery of time sensitive and critical information requiring compliance attention.	Timely response of EthicsLink reports are the cornerstone of a plan to minimize the financial and legal liability for your organization.
IT Support	Full customer support and hotline application support services included as part of annual support program.	No IT resources required, maintenance and operation handled by B3Business.
Annual Support	Custom support and annual maintenance to client requirements.	Includes full application, hotline support and product updates.
Compliance	Offers case management capabilities for the tracking of investigations.	Meet the requirements of legislation such as the Sarbanes-Oxley Act and Canadian MI 52-110.
