

## B3Workforce – Human Resource Solutions

### Public Sector Operational Solutions

#### Business Drivers to Streamline Your Human Resource Processes

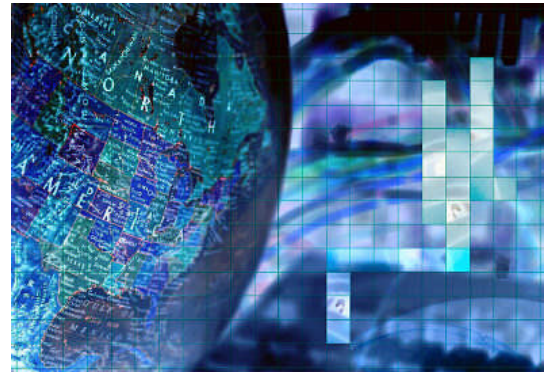

Your constituents both external and internal count on you for expanded, high-quality services. Public taxpayers expect greater efficiency, higher level of services and accountability for less money. Employees require streamlined and modern technologies and processes. Public Sector administrators must face the challenges of high level service delivery combined with cost containment head on.

**You can gain large cost efficiencies by reducing the cost of administering human resource and payroll processes.**

With B3's Public Sector Operational Solutions – you can gain workforce efficiencies by reducing the cost of administering human resource and payroll processes with B3 Public Sector Solutions such as:

- Benefits Administration
- iPeform™ Performance Management
- iTime™ Time and Labor/Job Costing Management
- EthicsLink™ Compliance and Ethics Reporting Service
- Training and Recruiting solutions
- Real Time Reporting and Business Intelligence on Human Resources and Payroll data

Apply end-to-end process integration of your HR/Payroll processes. Eliminate fragmented systems and error prone manual processes and gain access and control that allow you to make better business decisions.

#### Reduce Cost with Self Service Tools

With B3 Solutions, you can save time and costs with HR/Payroll Solutions:

- Public Works, Police/Fire, Service, Operations, and Administrators can review benefits enrollment options online
- Employees gain Self-Service access and spend less time talking to HR staff and more on core tasks
- Increase employee satisfaction
- Reduce the cost of printing benefit handbooks
- Online W2s/T4s
- Online paycheck views, Payroll, Time and Accruals information
- Recruitment and Talent Management

#### Maximize Productivity, Minimize Costs

Enable your HR/Payroll staff to concentrate on reducing turnover, strategic review of operations and retention of top performing employees. B3Workforce Public Sector Solutions helps you focus more on delivery of public services and less on administration.
